The Ancient World

**Metropolitan Museum of Art**  
[http://www.metmuseum.org/toah/](http://www.metmuseum.org/toah/)  
The Heilburnn Timeline of Art History is a wonderful online resource. On this page you can find maps of the world at different times in history, images of a wide range of ancient objects, and a series of short, thematic essays written by scholars.

**The British Museum**  
The British Museum houses one of the finest collections of ancient art in the world, including Assyrian reliefs from the same palace of Ashurnasirpal II as the Hood Museum of Art’s reliefs. Here, on the “Explore” page, you can find links to online tours, timelines, lesson plans, images and more. You can search for resources by culture or by theme.

**The Art Institute of Chicago**
