This seating area, generously provided by Copeland Furniture for visitors of *American Art at Dartmouth: Highlights from the Hood Museum of Art*, features the designs of American architect Frank Lloyd Wright.

Under exclusive license to build the furniture designs of Frank Lloyd Wright, Copeland presents a collection based on original drawings and furnishings created during Wright’s Prairie Period (late 1800s–early 1900s). Designed for his own home and studio, the Oak Park Spindle Chair provided comfort for Wright’s family and clients.

Please visit the museum shop for more information about the Frank Lloyd Wright collection.

Copeland Furniture is FSC certified by Smartwood.

The FSC logo identifies products which contain wood from well-managed forests independently certified in accordance with the rules of the Forest Stewardship Council A.C.
